Per Nestor Camara of McDowell Owens, a final selection of committee members is requested. **One** person from each interested party will be included on the steering committee. Please provide Mr. Camara with the name and contact information of the person who will be part of the steering committee. The steering committee member designated by each interested party will then coordinate with the remaining members of his/her party regarding future protocols, including the next protocol which will address the removal of AN at the West Fertilizer Site.

If you have questions, please contact Mr. Camara as follows:
